Dear Member

It is with regret that we have to inform you that Zone Fitness Life Centre will be closing at the end of June 2018.

Our initial 10 year lease came to an end in January 2018. We have worked very closely with the landlord over the last few months to find a suitable solution for the future of the club.

After months of looking at various options, it has now become clear that we cannot continue within this centre and we have no option but to terminate our lease agreement. We, the directors and shareholders of Zone Fitness Life Centre, want to assure you that we have tried our utmost to find workable solutions within the area.

We continue to have a good relationship with landlords, as we have other clubs at various properties in Johannesburg.

Process:

**Debit Order Memberships:**

1. Every member will receive an upgrade of their membership, free of charge, to SuperClub status, which gives you the use of all our 24 other clubs in the group. Your monthly subscription will remain the same. Our closest clubs to Zone Fitness Life Centre are, Zone Fitness Southdale, Zone Fitness Bruma and Zone Fitness Campus Square, Melville (opening August 2018).
2. All Superclub Members will be unaffected.
3. If this is not an option for you, your membership can be terminated with no penalty, by contacting the member service consultant

**Cash Memberships**

1. All members with a balance less than R 500 will receive 6 months SuperClub membership, and all members more than R 500 will receive 12 months SuperClub membership free of charge.
2. If this is not an option for you, your membership can be terminate by contacting the member service consultant. We will refund a pro-rata amount on the balance of your membership.

Thank you for your support during the last 12 years. Zone Fitness Group is currently in a growth phase and has opened 4 clubs during 2017/2018. None of this would have been possible without the pioneering work at Zone Fitness Life Centre. We look forward to sending you communication regarding new premises in the city bowl earmarked for 2019.

Yours in Health,
