Dear Member

It is with regret that we have to inform you that Zone Fitness Durbanville will be closing at the end of March 2019.

We have worked very closely with the landlord over the last few months to find a suitable solution for the future of the club.

After months of looking at various options, it has now become clear that we cannot continue within this centre and we have no option but to terminate our lease agreement. We, the directors and shareholders of Zone Fitness Durbanville, want to assure you that we have tried our utmost to find workable solutions within the area.

Process:

Debit Order Memberships: Effective 1 April 2019

1. Every member will receive an upgrade of their membership, free of charge, to SuperClub status, which gives you the use of all our 23 other clubs in the group. Your monthly subscription will remain the same. Our closest clubs to Zone Fitness Durbanville are, Zone Fitness Willowbridge and Zone Fitness Cobble Walk.
2. All Superclub Members will be unaffected.
3. If this is not an option for you, your membership can be terminated with no penalty, by contacting the member service consultant.

Cash Memberships: Effective 1 April 2019

1. All members with a balance less than R 500 will receive 6 months SuperClub membership, and all members more than R 500 will receive 12 months SuperClub membership free of charge.
2. If this is not an option for you, your membership can be terminate by contacting the member service consultant. We will refund a pro-rata amount on the balance of your membership.

Thank you for your support during the last 8 years. Zone Fitness Group is currently in a growth phase and has opened 4 clubs during 2017/2018. We are looking forward sending you communication regarding any new clubs opening during 2019.

Yours in Health,
